

LANDSTAR INTERNATIONAL OCEAN SERVICES

***Feel like you're barely keeping your head above water
trying to capitalize on the global marketplace?
Landstar has a boatload of supply chain options.***

No matter where on Earth your business takes you, we'll make sure your freight gets there too.

Landstar agents offer global ocean freight services at all major U.S. and international ports. Our international correspondents are carefully qualified ocean freight forwarders and licensed non-vessel operating common carriers to ensure your global ocean freight gets where it's going intact and on time.

Together, we'll work with you to determine the right solutions to meet your international ocean freight needs. Through Landstar, we can help with customs clearance, all risk marine insurance placement, information technology services, local dray and customs classifications, export declarations and pick-up and delivery arrangements at in-land points.

Our ocean freight shipping services include:

- Import and export
- Full container load
- Licensed NVOCC
- Refrigerated containerized
- Ocean freight forwarding
- Over-dimensional break bulk
- Less-than-container load

Landstar provides transportation management solutions and complete global and domestic transportation services through a network of independent agents dedicated to delivering the best in customer service.
